

e-PAL™ Service

Online Reference Tool

Kaplan Compliance Solutions: The #1 Online Reference Service in the Industry

“Our organization needed a reference tool that could keep track of the ever changing regulatory requirements. Your e-PAL online reference service provides quality and accurate information at my finger tips. This tool has saved my team time and helped make me more efficient. I have not found any other product on the market that compares to yours.”

– **Barbara Vaccaro**

Director of Licensing
Aon Law Department – Regulatory & Licensing

The e-PAL Service Online Reference Tool

Insurance requirements and regulatory forms are conveniently housed in one location. State rules, regulations, forms and fees are constantly changing. The e-PAL Service from Kaplan Compliance Solutions is the original single-source electronic reference tool for insurance licensing. With more than 1,500 users, the e-PAL service is the #1 reference tool in the industry.

The e-PAL Service offers access to insurance regulations and forms instantly. Here's how:

- Easy-to-use QuickGuide formats
- Current licensing forms, fees and payment options
- Instructions for obtaining the license or filing changes to the license
- Pre-license education and exam requirements
- Continuing education information
- Due dates and mailing addresses for submitting documents
- Renewal information

Reputable e-PAL Services:

- Life, Health and Variable Products
- Property-Casualty
- Credit
- Agency Licensing
- Provider Requirements for Prelicensing and/or Continuing Education
- Bank
- Limited Lines
- Adjuster
- Surplus Lines
- All-Lines (gives access to all services)

What's In It for You:

- Convenient access to the e-PAL Service Staff to help answer your questions
- Licensing forms can be emailed to producers
- Quick links connect to state Department of Insurance pages, producer lookups, state insurance statutes and rules/regulations page
